Ayurveda for holistic health is not only a magazine signifying the mere collection of write ups related with health issues but a commitment to make people aware of the methods and potential of remaining healthy through Ayurveda. This magazine's commitment is confirmed through the fact that it does not lose the sight of fact that each day all of us confront a tough, hectic scene of pollution, taking adulterated and fast food, irregular life cycle, besides facing stress related activities. Through this magazine an attempt has been made to project Ayurveda as keeping pace with this changing scenario through the write-ups of the experts in the field. This magazine will prove a great asset to those who wish to seek health through natural ways by altering their life style. Just by paying less than 35 paisa per day (35 paisa x 365 days = 125 Rs approximately) for one year, you can get 6 issues of this magazine. **For two years subscription you can send Rs 250 to Principal, Dayanand Ayurvedic College, G.T.
